

**Foundational Faith**

**(Activity: SOCIAL JUSTICE SIGNAGE)**

Come and join the Foundational Faith Group for our first Social Gathering of the year! Every third week of the month, the Youth Committee is committed to providing a safe, engaging, and fun activity that will help us all grow closer together and allow us to leave our worries behind for a few short hours (at least!)

This month, we will be doing Social Justice Signage! Come and immerse yourself in craft items galore as you make as many posters, signs, collages, etc. you want voicing your beliefs on social justice issues affecting your world! Afterward, we will decorate the entire Youth Room with your messages and truly work to create a space that represents all of YOU!
